

Checking for Your COVID Test Result

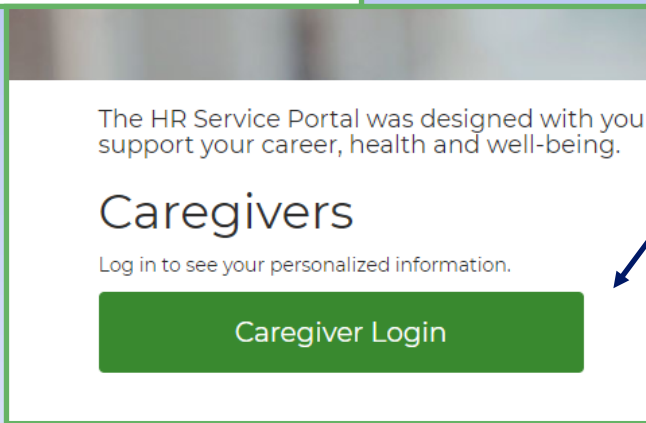

How to use the occupational health database

<https://www.providence.org/for-employees>

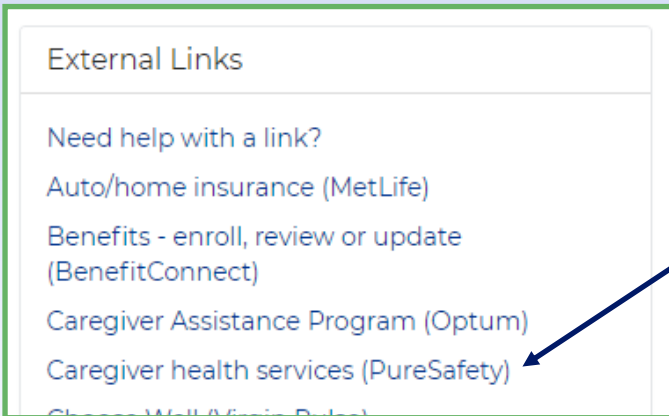

Step 1:

Once on for Providence Caregivers page scroll down and click on HR Service Portal

Step 2:

Scroll down page and on right side index, click on **Caregiver Health Services (PureSafety)** icon to launch portal

Step 3:

Click on **Medical Records** then **Titers** to view your results. You can print a copy of your results by selecting **Print All**
