

Providence Southern California Philanthropy invites our physicians to a virtual forum by Advancement Resources on how philanthropy can affect future generations of patient care.

Physicians are our most critical partners as 65% of philanthropic gifts are from grateful patients in response to the care they received.

All virtual forums are available for all physicians:

- Wednesday, March 9, 2022
4:00 - 5:30 PM
- Thursday, March 10, 2022
